\$500 REWARD

is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Catarrh in the brain which they cannot cure.

SYMPTOMS OF CATARRH—Dull, heavy headache, obstruction of the nasal passages, discharge falling from the nose into the throat, sometimes rattling, and often thick, tenacious, mucous, purulent, bloody and puritic; the eyes are weak and watery; there is a ringing in the ears, deafness, hacking or coughing, with a dry, hoarse voice; of offensive matter, together with obstinate diarrhoea; the voice is changed and has a "metal twang"; the breath is offensive, smell and taste are lost, and the patient must die. My case was much milder than everyone, towards sunset, my voice would become so hoarse, that I could not speak above a whisper. In the evening a rattling and clearing of the throat would recur, and continue through the night. I searched the remedy in three months. I took it and the cure has been permanent.

Constantly Hawking and Spitting

Prof. W. D. Brewster, the famous ophthalmologist, of Albany, N. Y., writes: "I was stricken with catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not stop hawking and spitting, notwithstanding nothing could be done for me. Finally I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the best remedy for catarrh, for I search now manufactured, and can only give a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to dieting, etc., and other matters of importance, will be mailed, postage paid, address, on receipt of a two-cent postage stamp.
